

Academic Chair: crim.academicchair@murdoch.edu.au Start Date: Semester 1 2024

This sample enrolment plan is based on the 2024 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

See Handbook - <https://handbook.murdoch.edu.au/>

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure.

****Murdoch Spine: Career learning Units**

Students must complete MSP100 and 6 points in career spine units. There are a range of units that can be used to fulfil that requirement. You do not need to take the career spine units in the order suggested. Refer to the University Handbook and timetable published in the academic year you intend to complete them. 2024 - MSP200, MSP201, MSP202, CRM310, CRM311, ART208, KAC102, GRD204, COM203, COM208.

Criminology Units:

[Criminology Required Units](#) – must take CRM303 and CRM307.

[Criminology Specified Electives](#) – Students must take 6 points of [Criminology Specified Electives](#) (see list in handbook under course code B1345).

Specified electives cannot be units within your nominated major.

[Crime Science Major#](#) – Must complete 24 points – BIO388, BMS213, CHE103, CRM100, CRM120, CRM201, CRM203, CRM301.

All units specified must be completed.

NOTE: BIO388 is currently timetabled to run in WINTER. CRM301 is timetabled to run in SPRING.

Notes

- Do not exceed 10 units at level 100 (first year).
- It is strongly suggested to take BMS101 as an *option unit* ahead of BMS213. However, this is a suggestion and BMS101 is not a pre-requisite unit or part of the Crime Science major. The remaining 27 points can be comprised of a second major, co-major, minors or general electives – refer to handbook.
- Check the university timetable each year to confirm the teaching period units run as they are subject to change.

Disclaimer:

This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 28/11/2023. Check the university timetable each year to confirm the teaching period units run as they are subject to change.
