**Course Notes**

This structure applies to students commencing their studies in 2024.

Course Core Units will vary depending upon the Course within which your primary Major sits. Students may combine their primary Major with a Major or Minors from other Courses.  
 The scheduling of listed units in this course plan may be subject to change. Please see the Handbook for scheduling and all requirements of the full range of Majors (24 points), Co-Majors (18 points) and Minors (12 points), including Asian Studies, Indonesian, Japanese, History, Politics, Sociology, International Aid & Development, Sustainable Development, Community Development.

Consider the career advantage of a Major + 2nd Major or a single Major + one or two Minors.

**Please note:** This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at 23/10/23.
