Start Date: Semester 2 2024

This sample enrolment plan is based on the 2024 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year.

See Handbook - <https://handbook.murdoch.edu.au/>

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe than the twelve years permitted under the coursework regulations. Students who may take longer than 10 years to complete their degree should seek advice from the Academic Chair.

**\*\*Murdoch Spine Specified Electives: Career learning Units**

Students must complete MSP100, and two additional career spine unit. There are a range of units that can be used to fulfil that requirement including many LLB units. You can swap the enrolment *order* of LLB specified electives and career spine units if you wish. Refer to the University Handbook published in the academic year you intend to complete them.

**Global Security Units:**

Students should contact the Global Security Academic Chair for advice mapping out their Global Security units; this plan may need to be rearranged.

- Global Security Major\* consists of 24 points in total (see handbook)
- Global Security Electives^ – must complete 12 points of GS electives (see handbook)

**LLB/BGS special program requirements:**

Students must complete 60 points of Law required (core) units; this includes the standard 54 points AND two additional required units (LLB201 and LLB365).

\*\* LLB201 and LLB365 are usually noted as Law Specified Electives in the Handbook; they are required core units in this combined degree.

Check timetable for LLB365 as usually offered in Autumn or Spring teaching periods.

+ Students must complete 15 points of Law Specified Electives during their studies. Some Law Specified Electives are 6 points.

Law Specified Electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake Law Specified Electives in those periods instead of during semester.

Students considering applying for Honours should contact the Honours Chair at the end of their third year.

**Advanced standing:**

If you have been granted advanced standing, please confirm with the Academic Chair how the advanced standing is allocated in your course structure.

**Disclaimer:**

This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 20/2/2024. Check the university timetable each year to confirm the teaching period units run as they are subject to change.
