Start Date: Semester 1 2025

This sample enrolment plan is based on the 2025 course structure and offerings. It is the responsibility of students to ensure the correct availability of units in each semester of each academic year. See Handbook - <https://handbook.murdoch.edu.au/>

This plan is for students enrolled full-time over the course of their degree. The expected workload for each 3-point units is 10 hours per week per unit. Students should consider all their commitments and factor the study workload level in when planning their course structure. For accreditation purposes, the Legal Practice Board of WA may require that your degree is completed within a shorter timeframe than the twelve years permitted under the coursework regulations. Students who may take longer than ten years to complete their degree should seek advice from the Academic Chair.

**\*\*Murdoch Spine Specified Electives: 9 points**

Students must complete 9 points of spine units during their degree; Part A (3 points) – choice of MSP100 or SIK102. Part B – 6 points (refer to handbook for list of available spine units).

**+Law Specified Electives:**

Students must complete 24 points of Law Specified Electives during their studies. Some Law Specified Electives are 6 points. Law Specified Electives are also offered in non-standard teaching periods (such as summer, winter, and trimester teaching periods) and students may undertake Law Specified Electives in those periods instead of during semester.

Students wishing to complete Honours should seek advice from the Honours Academic Chair at the end of Year 2; the Honours program will affect the number of specified electives required to be completed.

**Minor in Technology and Law (MN-TL) – 12 points**

Students who elect to complete the minor will need to use 12 points from the available 24 points of law specified electives.

- LLB326 – Cybercrime and Digital Forensics - (6 points)
- LLB330 – Law Reform and Access to Justice (clinic unit) - (3 points)
- LLB343 – Reimaging Law: Technology and the Future of Law - (3 points)

**Minor in Indigenous Knowledges and Practices (MN-IKP) – 12 points**

If students wish to complete a minor in Indigenous Knowledges and Practices, students must select SIK102 Wandju Boodja (Welcome to Country) from Spine Specified Electives and complete SIK200, SIK201 and SIK300 or COD301. The minor is in place of the points allocated to *general electives*.

**\*\*Recommended General Electives (9 points):**

Choose from any unit in the University where pre-requisite requirements are met. If you are enrolled to complete the **Minor in Indigenous Knowledges and Practices**, you do not take any other elective units.

**Disclaimer:**

This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as per the online Handbook. Students should note that due to unit prerequisites, commencing study in semester 2 may extend the duration of the course. Correct as at 23/10/2024. Check the university timetable each year to confirm the teaching period units run as they are subject to change.
