This sample study plan is for students commencing in Trimester 2, 2024 and is based on the 2024 course structure and offerings. It is the responsibility of students to ensure the correct availability of units and the pre-requirement criteria in each trimester of each academic year. Please note red font represents core units.

Since we have 5 units congested in T3 in 2024 due to MBS course offering plan, allow variation (alternate units) of any two T3 2024 Units and to take those two new ones in T1 2025 alongside MBS538
