Semester 1 notes	Semester 2 notes
<p>Students must successfully complete all units for the GD in Counselling before they can commence units at the Master of Counselling level (displayed Year 2 in table above). It is recommended that students commence the Master of Counselling in S1 to allow the option for either a year-long solo research project (CSL620) or a year-long group research project (CSL677). Trauma Counselling (CSL677) is only available for students enrolled in CSL677</p>	<p>Other variations to the above course plans are possible. Students need to be aware of the following parameters:</p> <ul style="list-style-type: none"> ▪ CSL684 Principles of Counselling 2 is offered in S2 only and CSL679 is a pre-requisite for this unit. ▪ CSL674 Trauma Counselling is offered in S1 only. This is an elective unit only available if enrolled in CSL677. ▪ CSL677 Counselling Research Project is a year-long group research project commencing from S1 to S2 only. ▪ CSL620 Counselling Research Project is a year-long solo research project which may be commenced in S2.

Course name: M1143 Master of Counselling (part-time)

Please note: This course plan is a sample only and must be read in conjunction with the full course structure, unit prerequisites and enrolment options as outlined in the [Handbook](#). Students should note that due to unit prerequisites, commencing study in Semester 2 may extend the duration of the course. This information is correct as at DD/MM/YY.
