M1313 Masters in Education

MJ-TM – Major in Teaching Mathematics (Years 7-10)

Sample Course Plan – Semester 1, 2023 commencement

The Graduate Certificate in Education (Teaching Mathematics) is designed for qualified teachers who are interested in upskilling in Secondary Mathematics. The recent move to elevate Year 7 into high school curriculum means that a lot of Primary teachers need an extra qualification to teach mathematics in high school. They need an understanding of the pedagogy/curriculum of -This course fulfils that need. Core units include pedagogy, curriculum, mathematics and statistics.
